ARTISTIC SERIES TRADE MARK

(FOR ADDRESS ONLY.)

Port Skillion Lighthouse, on the end of Douglas Head, derives its name from the adjacent creek known as Port Skillion, a popular bathing place. It was erected in 1833 by the Insular Harbour Board, but was recently taken over by the Commissioners of Northern Lighthouses and refitted with modern appliances. Its light has a radius of 14 miles in clear weather.

Printed in England.
